Subject: BHS March Meeting Activities

[EXTERNAL MESSAGE WARNING**]**

Review this message carefully before taking any action.

Good morning BHS Members,

Thank you for communicating with me about those not able to attend today. Would have been a bummer to show up to a meeting with 3 people!

Please do still review the meeting packet. Below is a list of things we will need to do via email and the due dates for each item. Though we are not meeting, decisions still need to be made.

BHS TO DO:

1. Approve February Meeting Minutes: Please submit your vote by replying all to this email so all members can see in the following format by the end of the day Monday the 28th: "(YOUR NAME), Feb 2022 Meeting Minutes, (YOUR NOTE Y/N/ABSTAIN)"
2. TCHNetwork Funding Request: I understand there are some questions. Please submit your questions regarding the request directly to me by the end of the day Monday the 28th. To save email back and forth, I am going to create a document with all questions and comments to send to the group and TCHNetwork. Once questions are addressed, I will send out further instructions for voting on the application.

- a. Please do review the Telluride School's funding approval as well as UMC's funding approval. This might clear up some questions too.

As always, please reach out with any questions. Looking forward to meeting again next month!

Best,
Corinne

'Aye' for minutes approval ('Yes' is too contemporary). I don't currently have any questions on the funding approval, but I should take another look at the app and just chew on it a bit.
